

Correction to “Effects of Pharmacological Agents upon a Transgenic Model of Parkinson’s Disease in *Drosophila melanogaster*”

In the above article [Pendleton RG, Parvez F, Sayed M, and Hillman R (2002) *J Pharmacol Exp Ther* 300:91–96], an error was made on Fig. 1. The symbols identifying Transgenic and Canton S were switched on the original figure. The corrected Fig. 1 follows.

The authors apologize for any inconvenience caused by this error.
