\textit{The Journal of Pharmacology and Experimental Therapeutics} is published monthly online only by the American Society for Pharmacology and Experimental Therapeutics. The appearance of advertisements in the journal is not a warranty, endorsement, or approval of the products or their manufacturers by the American Society for Pharmacology and Experimental Therapeutics. The American Society for Pharmacology and Experimental Therapeutics disclaims responsibility for any injury to persons or property resulting from any ideas or products referred to in any article or advertisement.

Reprints of individual articles are available from the journal web site using the pay-per-view option for nonsubscribers. Reprints of large quantities for commercial or academic use may be purchased from ASPET. For information and prices, call 301-634-7063.

\textbf{Copyright information:} The Journal of Pharmacology and Experimental Therapeutics is copyrighted by the American Society for Pharmacology and Experimental Therapeutics. For permission to photocopy entire articles from The Journal of Pharmacology and Experimental Therapeutics, see www.copyright.com or contact the Copyright Clearance Center (CCC), Inc., 222 Rosewood Dr., Danvers, MA 01923, Telephone: 978-750-8400. For permission to reprint portions of articles such as figures and tables or to reprint entire articles in a thesis or dissertation, see www.copyright.com. Photocopying or printing articles beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law is allowed, provided that the $25.00-per-copy fee is paid through the CCC. Classroom photocopying is permitted at no fee, provided that students are not charged more than the cost of duplication. This consent does not extend to other kinds of copying. Reproduction of any portion of an article for subsequent republication requires permission of ASPET.

\textbf{Disclaimer:} The statements and opinions contained in the articles of \textit{The Journal of Pharmacology and Experimental Therapeutics} are solely those of the individual authors and contributors and not of the American Society for Pharmacology and Experimental Therapeutics. The appearance of advertisements in the journal is not a warranty, endorsement, or approval of the products or their safety. The American Society for Pharmacology and Experimental Therapeutics disclaims responsibility for any injury to persons or property resulting from any ideas or products referred to in any article or advertisement.
