

INDEX

Abramson, David I., and Goldberg, Samuel D. Local anesthetic actions of two esters of mono alkylated amino alcohols.....	69
Acetanilid, and other drugs, Relation of, to analgesia in monkeys.....	467
Acetyl-beta-methylcholine chloride (mecholy), Action of, in neurogenic disturbances of urinary bladder, with note on mechanism of spinal shock..	449
Acetyl-B-methyl choline chloride (mecholy) and benzyl methyl carbinamine sulphate (benzedrine sulphate), action of, on gall bladder.....	174
Acetylcholine action of choline derivatives, Basis for.....	430
Acetyl choline and epinephrine, Protective effect of deuterium oxide on....	149
Alcohol, Nature of acquired tolerance to.....	301
Alcohols, mono alkylated amino, Local anesthetic actions of two esters of..	69
Amino alcohols, mono alkylated, Local anesthetic actions of two esters of..	69
Analgesia, Relation of acetanilid and other drugs to, in monkeys.....	467
Anesthesia, cyclopropane, Cardiac output in dogs under.....	179
—, Effect of digitalis on anesthetized dog: I. Action on splanchnic bed..	1
—, Local anesthetic actions of two esters of mono alkylated amino alcohols.....	69
—, Nembutal: III. Median lethal dose of nembutal (pentobarbital sodium) for young and old rats.....	284
—, spinal, Fate of drugs used in.....	39
—, Tolerance and fate of pressor principle of posterior pituitary extract in anesthetized animals.....	346
Arterenol as possible sympathetic hormone.....	37
Arteries, carotid, of small animals, Reactions of.....	236
Artery reactions, pulmonary, Microscopic observations of.....	228
Atropine, and prostigmin, Effects of, on human stomach.....	422
Bacq, Z. M. Arterenol as possible sympathetic hormone.....	37
Barbour, Henry G., and Bogdanovitch, Sinisha B. Pharmacological action of deuterium oxide. III. Its protective effect on acetyl choline and epinephrine.....	149
— and Herrmann, Julian B. Pharmacological action of deuterium oxide. IV. Sympathomimetic action of deuterium oxide in mice.....	158
—, and Rice, Lillie E. Pharmacological action of deuterium oxide. V. Calorigenic saturation level and influence of ergotoxine.....	292
—, and Rice, Lillie E. Pharmacological action of deuterium oxide. VI. Its influence upon insensible water loss.....	363
Batterman, Robert C., de Graff, Arthur C., and Lehman, Robert A. Influence of theophylline upon absorption of mercupurin and salyrgan from site of intramuscular injection.....	26
Baxter, James H., Jr., and Robbins, Benjamin H. Studies of cyclopropane. IV. Cardiac output in dogs under cyclopropane anesthesia.....	179

- Baxter, J. H., Jr., Greer, C. M., Pinkston, J. O., and Brannon, E. S. Nor-epinephrine [β -(3,4-dihydroxyphenyl)- β -hydroxyethylamine] as possible mediator in sympathetic division of autonomic nervous system..... 189
- Benaglia, A. E., Bodo, R. C., and CoTui, F. W. Studies on mechanism of morphine hyperglycemia. Rôle of sympathetic nervous system with special reference to sympathetic supply to liver..... 88
- Benzedrine sulfate, Effect of, on emptying time of human stomach..... 111
- sulphate (benzyl methyl carbinamine sulphate) and mecholyl (acetyl-B-methyl choline chloride), Action of, on gall bladder..... 174
- Benzoyl derivatives, some new, Toxicity and anesthetic potency of..... 252
- Benzyl methyl carbinamine sulphate (benzedrine sulphate) and acetyl-B-methyl choline chloride (mecholyl), Action of, on gall bladder..... 174
- Biliary system, Autonomic drugs and: I. Action of acetyl-B-methyl choline chloride (mecholyl) and benzyl methyl carbinamine sulphate (benzedrine sulphate) on gall bladder..... 174
- Bismuth, Absorption and distribution of, after intramuscular injection of sobisminol..... 413
- , Excretion of, after intramuscular injection of sobisminol: Experimental and clinical results..... 404
- , Gastrointestinal absorption, distribution and excretion..... 54
- Bladder, urinary, Action of acetyl-beta-methylcholine chloride (mecholyl) in neurogenic disturbances of, with note on mechanism of spinal shock... 449
- Bodo, R. C., CoTui, F. W., and Benaglia, A. E. Studies on mechanism of morphine hyperglycemia. Rôle of sympathetic nervous system with special reference to sympathetic supply to liver..... 88
- Bogdanovitch, Sinisha B., and Barbour, Henry G. Pharmacological action of deuterium oxide. III. Its protective effect on acetyl choline and epinephrine..... 149
- Brannon, E. S., Greer, C. M., Pinkston, J. O., and Baxter, J. H., Jr. Nor-epinephrine [β -(3,4-dihydroxyphenyl)- β -hydroxyethylamine] as possible mediator in sympathetic division of autonomic nervous system..... 189
- Bruger, Maurice, Flexner, James, and Wright, Irving S. Autonomic drugs and biliary system. I. Action of acetyl-B-methyl choline chloride (mecholyl) and benzyl methyl carbinamine sulphate (benzedrine sulphate) on gall bladder..... 174
- Bulbocapnin, Some undescribed pharmacological properties of..... 16
- Bullock, Kenneth, and MacDonald, A. D. Fate of drugs used in spinal anesthesia..... 39
- Cameron, W. M., Crismon, J. M., Whitsell, L. J., and Tainter, M. L. Analysis of circulatory actions of ethylnorsuprarenin..... 318
- Carbon tetrachloride, Liver damage due to chloroform or..... 127
- Cardiac muscle, mammalian; Influence of digitalis glucosides on force of contraction of..... 116
- output in dogs under cyclopropane anesthesia..... 179
- Carmichael, Emmett B. Nembutal anesthesia. III. Median lethal dose of nembutal (pentobarbital sodium) for young and old rats..... 284

Carotid arteries of small animals, Reactions of.....	236
Cattell, McKeen. Influence of ouabain on contraction of striated muscle..	459
—, and Gold, Harry. Influence of digitalis glucosides on force of contraction of mammalian cardiac muscle.....	116
Chen, Graham, and van Dyke, H. B. Action of merthiolate on gonadotropic effect of anterior pituitary extract.....	333
Chloroform, Liver damage due to carbon tetrachloride or.....	127
Choline derivatives, Basis for acetylcholine action of.....	430
Cortin, Rat in assay of.....	307
CoTui, F. W., Bodo, R. C., and Benaglia, A. E. Studies on mechanism of morphine hyperglycemia. Rôle of sympathetic nervous system with special reference to sympathetic supply to liver.....	88
Crismon, J. M., Cameron, W. M., Whitsell, L. J., and Tainter, M. L. Analysis of circulatory actions of ethylnorsuprarenin.....	318
Cyclopropane, Studies of: IV. Cardiac output in dogs under cyclopropane anesthesia.....	179
d'Amour, Fred E., and Funk, Dorothy. Rat in assay of cortin.....	307
d'Amour, F. E., and d'Amour, M. C. Assay of gonad stimulating preparations.....	263
d'Amour, M. C., and d'Amour, F. E. Assay of gonad stimulating preparations.....	263
de Beer, Edwin J., Hjort, Axel M., and Fassett, David W. Some tetrahydroisoquinolines. I. Their relative toxicology and symptomatology.....	165
deGraff, Arthur C., Batterman, Robert C., and Lehman, Robert A. Influence of theophylline upon absorption of mercupurin and salyrgan from site of intramuscular injection.....	26
Deuterium oxide, Pharmacological action of: III. Its protective effect on acetyl choline and epinephrine.....	149
— oxide, Pharmacological action of: IV. Sympathomimetic action of deuterium oxide in mice.....	158
— oxide, Pharmacological action of: V. Calorigenic saturation level and influence of ergotoxine.....	292
— oxide, Pharmacological action: VI. Its influence upon insensible water loss.....	363
Digitalis, Effect on anesthetized dog: I. Action on splanchnic bed.....	1
— glucosides, Influence of, on force of contraction of mammalian cardiac muscle.....	116
Dog, anesthetized, Effect of digitalis on: I. Action on splanchnic bed.....	1
Dogs, Cardiac output in, under cyclopropane anesthesia.....	179
—, Studies of chronic morphine poisoning in: VII. Effect of thyroid feeding on excretion of morphine in tolerant and non-tolerant dogs.....	106
Drugs, acetanilid and other, Relation of, to analgesia in monkeys.....	467
—, Autonomic, and biliary system: I. Action of acetyl-B-methyl choline chloride (mecholy) and benzyl methyl carbinamine sulphate (benzedrine sulphate) on gall bladder.....	174
— used in spinal anesthesia, Fate of.....	39

- Epinephrine and acetyl choline, Protective effect of deuterium oxide on . . . 149
- Ergotoxine, Calorigenic saturation level and influence of . . . 292
- Ethyl-norsuprarenin, Analysis of circulatory actions of . . . 318
- Fassett, David W., Hjort, Axel M., and de Beer, Edwin J. Some tetrahydroisoquinolines. I. Their relative toxicology and symptomatology . . 165
- Flexner, James, Bruger, Maurice, and Wright, Irving S. Autonomic drugs and biliary system. I. Action of acetyl-B-methyl choline chloride (mecholy) and benzyl methyl carbinamine sulphate (benzedrine sulphate) on gall bladder . . . 174
- Friend, M., Katz, L. N., Rodbard, S., and Rottersman, W. Effect of digitalis on anesthetized dog. I. Action on splanchnic bed . . . 1
- Funk, Dorothy, and d'Amour, Fred E. Rat in assay of cortin . . . 307
- Gall bladder, Action of acetyl-B-methyl choline chloride (mecholy) and benzyl methyl carbinamine sulphate (benzedrine sulphate) on . . . 174
- Gilbert, Albert J. Microscopic observations of pulmonary artery reactions. 228
- Gilbert, A. J., and Sollmann, Torald. Reactions of carotid arteries of small animals . . . 236
- Glucosides, digitalis, Influence of, on force of contraction of mammalian cardiac muscle . . . 116
