

INDEX

Absorption of toxic substances from gastro-intestinal tract, Effect of alarm reaction on.....	138
Alarm reaction, Effect of, on absorption of toxic substances from gastro-intestinal tract.....	138
Alkyl nitrites. I. Pharmacologic study of new series of aliphatic nitrites..	298
Allison, J. B., Norris, M. L., and Green, D. F. Renal excretion of sulfanilamide in dogs.....	263
Allmark, M. G., Morrell, C. A., and Chapman, C. W. Therapeutic assay of nearsphenamine with trypanosoma equiperdum.....	14
Amines, Sympathomimetic, action of, on heart-lung preparation.....	190
Anesthesia and liver damage. II. Effect of anesthesia on blood sugar, liver glycogen and liver fat.....	111
—, experimental spinal, Oxygen and carbon dioxide changes in blood during.....	271
Anesthetic effects of chlorine derivatives of cyclopropane.....	225
Antidotal action, Relative, of certain cardiac stimulants.....	330
“Antinecrotic” material prepared from liver.....	131
Arginase concentrations, Variations in, in livers of white rats caused by administration of arsenic and lead.....	458
Arsenic and lead, storage and toxicity of, Influence of calcium and phosphorus on.....	446
— and lead, Variations in arginase concentrations in livers of white rats caused by administration of.....	458
— content and trypanocidal activity of cerebrospinal fluid after administration of arsenic compounds. II.....	146
—, Storage of, in rats fed diet containing calcium arsenate and arsenic trioxide.....	411
— trioxide and calcium arsenate, Storage of arsenic in rats fed diet containing.....	411
— trioxide and lead acetate, Growth and reproduction of rats fed diets containing.....	420
— trioxide, lead acetate and lead arsenate in varying concentrations, Chronic effects on dogs of feeding diets containing.....	364
Arsphenamines, Spirocheticidal action of, on <i>S. pallida</i> in vitro.....	164
Atropine and homatropine, Hydrolysis of, by various tissues.....	209
Autonomic hormones, Effect of, on thyrotoxic heart.....	217
Barbiturates, Influence of room temperature on action of.....	355
Barbituric acid derivatives, Cardiac depression by.....	330
Barrett, H. M., MacLean, D. L., and McHenry, E. W. “Antinecrotic” material prepared from liver.....	131

Bass, Allan D. Hypnotic action of certain tertiary butyl aliphatic amides..	50
Bernheim, Frederick, and Bernheim, Mary L. C. Hydrolysis of atropine and homatropine by various tissues.....	209
Bernheim, Mary L. C., and Bernheim, Frederick. Hydrolysis of atropine and homatropine by various tissues.....	209
Blood pressure and electrocardiographic changes induced by posterior pituitary extract; influence on, of ephedrine.....	86
Bronchio-dilator and antagonistic (dilator) action of magnesium against pilocarpine, histamine and barium chloride.....	58
Burke, J. C., and McIntyre, A. R. Effects of vitamin B on insulin hypoglycemia and sugar tolerance.....	465
Calcium and phosphorus, Influence of, on storage and toxicity of lead and arsenic.....	446
— arsenate and arsenic trioxide, Storage of arsenic in rats fed diet containing.....	411
Calvery, Herbert O., and Lightbody, Howard D. Variations in arginase concentrations in livers of white rats caused by administration of arsenic and lead.....	458
—, Laug, Edwin P., and Morris, Herman J. Chronic effects on dogs of feeding diets containing lead acetate, lead arsenate and arsenic trioxide in varying concentrations.....	364
—, Laug, Edwin P., Morris, Herman J., and Grant, R. Lorimer. Influence of calcium and phosphorus on storage and toxicity of lead and arsenic..	446
Carbon dioxide and oxygen changes in arterial and venous blood in experimental spinal anesthesia. Remarks on choice of basal anesthetics for blood gas studies.....	271
Cardiac depression by barbituric acid derivatives. Relative antidotal action of certain cardiac stimulants.....	330
Carr, C. Jelleff, Forman, Sylvan E., and Krantz, John C., Jr. Alkyl nitrites. I. Pharmacologic study of new series of aliphatic nitrites.....	298
Cerebrospinal fluid, Typanocidal activity and arsenic content of, after administration of arsenic compounds. II.....	146
Chapman, C. W., Allmark, M. G., and Morrell, C. A. Therapeutic assay of neoarsphenamine with trypanosoma equiperdum.....	14
Chlorine derivatives of cyclopropane, Anesthetic effects of.....	225
Cholinesterase activity, Studies on. I. Manometric method of assaying cholinesterase action.....	228
Codeine, morphine, and their derivatives, Studies of. XIII. Clinical study of comparative effects of dihydrocodeine and codeine.....	236
Cook, E. S., and Rider, T. H. Pharmacologic studies on diothane hydrochloride.....	1
Crismon, J. M., and Tainter, M. L. Action of sympathomimetic amines on heart-lung preparation.....	190
Cyclopropane, Anesthetic effects of chlorine derivatives of.....	225
Davenport, Lowrey F. Studies of morphine, codeine, and their derivatives. XIII. Clinical study of comparative effects of dihydrocodeine and codeine.....	236

- DeEds, Floyd, Eddy, C. W., and Thomas, John O. Studies on phenothiazine.
 V. Fate of phenothiazine in the body..... 250
 —, Eddy, C. W., and Thomas, John O. Studies on phenothiazine. VII.
 Bactericidal properties of urine after oral administration of phenothiazine..... 280
Digitalis lanata, Native glucosides of; effects on cardiac efficiency; toxicity.. 65
 Dille, James M. Inactivation and elimination of picrotoxin..... 319
 Diothane hydrochloride, Pharmacologic studies on..... 1
 Downing, Virginia, and Nowak, Stanley J. G. Oxygen and carbon dioxide changes in arterial and venous blood in experimental spinal anesthesia.
 Choice of basal anesthetics for blood gas studies..... 271
- Eagle, Harry. Spirocheticidal action of arsphenamines on *S. pallida* in vitro 164
 Eddy, C. W., Thomas, John O., and DeEds, Floyd. Studies on phenothiazine. V. Fate of phenothiazine in the body..... 250
 —, Thomas, John O., and DeEds, Floyd. Studies on phenothiazine. VII. Bactericidal properties of urine after oral administration of phenothiazine..... 280
 Electrocardiographic and blood pressure changes induced by posterior pituitary extract; influence of ephedrine thereon..... 86
 Ephedrine, influence on Electrocardiographic and blood pressure changes induced by posterior pituitary extract..... 86
 Ergotamine, Action of, on isolated human uterus..... 243
 Excretion, Renal, of sulfanilamide in dogs..... 263
- Forman, Sylvan E., Krantz, John C., Jr., and Carr, C. Jelleff. Alkyl nitrites.
 I. Pharmacologic study of new series of aliphatic nitrites..... 298
- Goldschmidt, S., Klingensmith, L. E., Ravdin, I. S., and Vars, H. M. Anesthesia and liver damage. II. Effect of anesthesia on blood sugar, liver glycogen and liver fat..... 111
 Grant, R. Lorimer, Calvery, Herbert O., Laug, Edwin P., and Morris, Herman J. Influence of calcium and phosphorus on storage and toxicity of lead and arsenic..... 446
 —, Morris, Harold P., Laug, Edwin P., and Morris, Herman J. Growth and reproduction of rats fed diets containing lead acetate and arsenic trioxide; lead and arsenic content of newborn and suckling rats..... 420
 Green, D. F., Allison, J. B., and Morris, M. L. Renal excretion of sulfanilamide in dogs..... 263
 Growth and reproduction of rats fed diets containing lead acetate and arsenic trioxide; lead and arsenic content of newborn and suckling rats..... 420
- Hafkesbring, Roberta, and MacCalmont, Winona. Effect of sodium amytal, sodium barbital and nembutal on electrocardiogram..... 43
 Haury, Victor G. Bronchio-dilator action of magnesium and its antagonistic (dilator) action against pilocarpine, histamine and barium chloride.... 58
 Hawking, F., Hennelly, T. J., and Wales, W. T. Trypanocidal activity and arsenic content of cerebrospinal fluid after administration of arsenic compounds. II..... 146

Heart-lung preparation, Action of sympathomimetic amines on.....	190
Heart, thyrotoxic, Effect of autonomic hormones on.....	217
Henderson, V. E. Anesthetic effects of chlorine derivatives of cyclopropane.....	225
Hennelly, T. J., Wales, W. T., and Hawking, F. Trypanocidal activity and arsenic content of cerebrospinal fluid after administration of arsenic compounds. II.....	146
Hoff, H. E., and Wise, Bowman. Effect of autonomic hormones on thyrotoxic heart.....	217
Homatropine and atropine, Hydrolysis of, by various tissues.....	209
Hormones, autonomic, Effect of, on thyrotoxic heart.....	217
Hydrolysis of homatropine and atropine by various tissues.....	209
Hypnotic action of certain tertiary butyl aliphatic amides.....	50
Hypoglycemia, insulin, and sugar tolerance, Effects of vitamin B on.....	465
Hypothalamus of cat, Effect of strychnine sulphate on emotional mimetic functions of.....	335
Insulin hypoglycemia and sugar tolerance, Effects of vitamin B on.....	465
Johnston, Robert L. Cardiac depression by barbituric acid derivatives. Relative antidotal action of certain cardiac stimulants.....	330
Katz, Gerhard. Microbioassay method on some isolated tissues.....	314
Klingensmith, L. E., Ravdin, I. S., Vars, H. M., and Goldschmidt, S. Anesthesia and liver damage. II. Effect of anesthesia on blood sugar, liver glycogen and liver fat.....	111
Krantz, John C., Jr., Carr, C. Jelleff, and Forman, Sylvan E. Alkyl nitrites. I. Pharmacologic study of new series of aliphatic nitrites.....	298
Laug, Edwin P., and Morris, Harold P. Effect of lead on rats fed diets containing lead arsenate and lead acetate.....	388
