

CONTENTS

NUMBER 1, SEPTEMBER, 1942

I. Myocardial Necrosis and Fibrosis Resulting from the Administration of Massive Doses of a Cardiac Glycoside. John S. LaDue.....	1
II. Drug Prophylaxis Against Lethal Effects of Severe Anoxia. III. <i>d</i> -, <i>l</i> - and <i>dl</i> -Phenisopropylamines. G. A. Emerson.....	11
III. Studies on the Tolerance Formation to Gold Sodium Thiosulphate in Rats. Ruth Cortell and R. Kohn Richards.....	17
IV. Evidence of Another Physiologically Active Principle in <i>Cannabis sativa</i> (Marihuana). Gordon A. Alles, A. J. Haagen-Smit, George A. Feigen and Walter B. Dandliker.....	21
V. Nitrites. VIII. Blood-Nitrite Content of Man and Other Species. Maurice Rath and John C. Krantz, Jr.....	27
VI. Nitrites. IX. A Further Study of the Mechanism of the Action of Organic Nitrates. Maurice M. Rath and John C. Krantz, Jr.....	33
VII. The Effect of Carminatives on the Emptying Time of the Normal Human Stomach. Edward J. Van Liere and David W. Northup.....	39
VIII. Stable Anesthetic Solutions of Barbituric Acids. Milton T. Bush, H. L. Dickison and Paul D. Lamson.....	44
IX. Studies of the Influence of Prostigmine on Morphine Addiction. C. K. Himmelsbach, F. W. Oberst, R. R. Brown, and Edwin G. Williams....	50
X. Effect of Quinine upon the Course of Fowl-pox Infection in the Chick. Benjamin H. Robbins.....	57
XI. Relative Pharmacological Effects of <i>2</i> -Alkyl- <i>1,2,3,4</i> -Tetrahydroisoquinoline Hydrochlorides. Axel M. Hjort, Edwin J. DeBeer, Johannes S. Buck and Lowell O. Randall.....	64
XII. Relative Pharmacological Effects of <i>2,2</i> -Dimethyl- <i>1,2,3,4</i> -Tetrahydroisoquinolinium Chlorides. Axel M. Hjort, Edwin J. deBeer, Johannes S. Buck and Lowell O. Randall.....	71
XIII. Studies on the Toxicity and Pharmacology of Riboflavin. Klaus Unna and Joseph G. Greslin.....	75
XIV. Synthetic Derivatives of Strophanthidin. K. K. Chen and Robert C. Elderfield.....	81
XV. Cortical Effects of Demerol. H. L. Andrews.....	89
XVI. A Note on the Action of Certain Phenanthrene Derivatives on the Circulation in Mammals. Philip Hitchcock and Erwin E. Nelson.....	95

NUMBER 2, OCTOBER, 1942

XVII. The Influence of Bile on Gastric Motility. James M. Winfield and Jerzy Kaulbersz.....	97
XVIII. Acute and Chronic Effects of Pentachlorophenol and Sodium Pentachlorophenate upon Experimental Animals. Wilhelm Deichmann, Willard Machle, Karl V. Kitzmiller and Girard Thomas.....	104
XIX. Pharmacology of Colour Regulation in Amphibia and the Importance of Endocrine Glands. Andrés O. M. Stoppani.....	118
XX. The Effects of Some Nitrate Esters of Xanthine Derivatives. G. Lehmann, A. M. Ambrose and P. K. Knoefel.....	126
XXI. Morphogenetic Actions of Various Steroids in the Castrate Male Rat. Hans Selye and S. Albert.....	137
XXII. The Ascorbic Acid-dehydroascorbic Acid System in the Synthesis and Inactivation of Sympathomimetic Amin. Karl H. Beyer.....	149

XXIII. In Vitro Studies of Sulfonamide Action on Organisms of the Brucella Group and the Counteracting Effect of Para-aminobenzoic Acid. Bowman Wise.....	156
XXIV. Effect of Various Sulfonamides, Sulfones, and other Compounds against Experimental Influenza and Poliomyelitis Infections in White Mice. L. T. Coggeshall and John Maier.....	161
XXV. Cerberin and Cerberoside, the Cardiac Principles of <i>Cerbera odollam</i> . K. K. Chen and Frank A. Steldt.....	167
XXVI. The Action of Posterior Pituitary Extract upon Varying Degrees of Water Load Administered to Frogs. Eldon M. Boyd and D. H. M. Hall.....	175
XXVII. The Percutaneous Absorption of Ammonium Hydrogen Sulfide and Hydrogen Sulfide. E. P. Laug and J. H. Draize.....	179

NUMBER 3, NOVEMBER, 1942

XXVIII. The Parenteral Use of Organic Esters. W. L. Lipschitz, S. D. Upham, C. N. Hotchkiss and G. H. Carlson.....	189
XXIX. The Anticonvulsant Action of Diphenyl Hydantoin and some Related Compounds. P. K. Knoefel and G. Lehmann.....	194
XXX. The Experimental Production of Primary Optic Atrophy in Monkeys by Administration of Organic Arsenical Compounds. B. J. Longley, N. M. Clausen and A. L. Tatum.....	202
XXXI. Radioactive Tracer Studies on Arsenic Injected as Potassium Arsenite. I. Excretion and Localization in Tissues. F. T. Hunter, A. F. Kip and J. W. Irvine, Jr.....	207
XXXII. Radioactive Tracer Studies on Arsenic Injected as Potassium Arsenite. II. Chemical Distribution in Tissues. O. H. Lowry, F. T. Hunter, A. F. Kip and J. W. Irvine, Jr.....	221
XXXIII. The Comparative Therapeutic Activity of Sulfonamides against Bacterial Infections in Mice. E. K. Marshall, Jr., J. T. Litchfield, Jr., H. J. White, A. C. Bratton and R. G. Shepherd.....	234
XXXIV. Studies on the Fate of Nicotine in Body. I. The Effect of pH on the Urinary Excretion of Nicotine by Tobacco Smokers. H. B. Haag and P. S. Larson.....	235
XXXV. Studies on the Fate of Nicotine in the Body. II. On the Fate of Nicotine in the Dog. P. S. Larson and H. B. Haag.....	240
XXXVI. Some Toxicological and Pharmacological Studies on 3-5-Dinitro-0-Cresol. Anthony M. Ambrose.....	245
XXXVII. Relative Pharmacological Effects of 2-Alkyl-3,4-Dihydroisoquinolinium Chlorides. Axel M. Hjort, Edwin J. deBeer, Johannes S. Buck and Lowell O. Randall.....	252
XXXVIII. Relative Pharmacological Effects of 3-Methyl-3,4-Dihydro- and 3-Methyl-1,2,3,4-Tetrahydroisoquinoline Derivatives. Axel M. Hjort, Edwin J. deBeer and Lowell O. Randall.....	258
XXXIX. Relative Pharmacological Effects of 1-Methyl-3,4-Dihydro- and 1-Methyl-1,2,3,4-Tetrahydroisoquinoline Derivatives. Axel M. Hjort, Edwin J. deBeer, Johannes S. Buck and Lowell O. Randall.....	263
XL. The Chronological Relationships of the Blood Pressure and Serum Potassium Effects of Epinephrine. Foster N. Martin, Jr.....	270
XLI. A Device for the Continuous Recording of Heart Rate: Its Application to a Study of the Circulatory Effects of Epinephrine and Carbaminoyl Choline. Michael Kniazirk and Klaus Unna.....	275
XLII. Comparative Studies on the Toxic Effects of Digitoxin and Ouabain in Cats. Erich Krueger and Klaus Unna.....	282

NUMBER 4, DECEMBER, 1942

XLIII. The Local Anesthetic Properties of Cinnamylephedrine. Fred H. Schultz, Jr., and Paul H. Barbour, Jr.....	295
XLIV. Some New Aspects of Morphine Action: Effect on the Stomach. Donald Slaughter, A. B. Goddard and W. M. Henderson.....	301
XLV. The Pyretic Action on Rats of Small Doses of Morphine. Julian B. Herrmann.....	309
XLVI. <i>In Vitro</i> and <i>in Vivo</i> Studies of Gramicidin, Tyrothricin and Tyrocidine. Harry J. Robinson and Otto E. Graessle.....	316
XLVII. The Plasma-Cell Partition of Blood Lead. Karl Bambach, Robert A. Kehoe and Milan A. Logan.....	326
XLVIII. A Study of the Similarities of Several Representative Types of Bismuth Preparations Used in the Therapy of Experimental Syphilis. N. M. Clausen, B. J. Longley, R. E. Green and A. L. Tatum.....	338
XLIX. Changes in the Blood Picture of the Dog following Subcutaneous Injections of Sodium Selenite. H. D. Anderson and A. L. Moxon.....	343
L. Metabolism, Toxicity and Manner of Action of Gold Compounds Used in the Treatment of Arthritis. IV. Studies of the Absorption, Distribution and Excretion of Gold following the Intramuscular Injection of Gold, Thioglucose and Gold Calcium Thiomalate. Walter D. Block, Oliver H. Buchanan and R. H. Freyberg.....	355
LI. The Trypanocidal Action of β -Amino-4-Hydroxyphenyl Arsenious Oxide ("Mapharsen") Administered Orally with Glutathione. Sanford M. Rosenthal.....	358
LII. On the Nature of the Emetic Action of the Digitalis Bodies and Related Compounds. H. F. Haney and A. J. Lindgren.....	363
LIII. Action of Benzedrine Sulfate on the Excitability of Nerve, Muscle and Heart in the Frog (<i>Calyptocephalus gayi</i>). B. Günther.....	369
LIV. Toxicity of Benzedrine Sulfate in the White Mouse and in the Frog (<i>Calyptocephalus gayi</i>). B. Günther.....	375
LV. Effects of Epinephrine and Pitressin on the Coronary Artery Inflow in Anesthetized Dogs. Harold D. Green, René Wégria and Norman H. Boyer.....	378
LVI. Index.....	393
