The following manuscript was published as a Fast Forward article on February 29, 2012:

It was later found that the chemical identity of a compound cited in the article, CCX140-B, was not sufficiently disclosed. The authors are unable, at this time, to provide the chemical identity of CCX140-B in accordance with the editorial policies of *The Journal of Pharmacology and Experimental Therapeutics*. As a result, the authors have voluntarily withdrawn this manuscript from publication.

We apologize for any inconvenience this may cause *JPET*’s readers.
