ERRATUM

In the paper, "Effects of Amphetamine, Chlorpromazine, Pentobarbital, and Ethanol on Operant Response Duration" by Bernard Weiss and Victor G. Laties (Volume 144, pages 17-23, April 1964), figures 2 and 3, on pages 19 and 20, were inadvertently reversed by the printer. The cut on page 20 is figure 2 and should have been on page 19 with the legend shown there; the cut on page 19 is figure 3 and should have been on page 20 with the legend shown there.
