PHARMACOLOGY RESEARCH ASSOCIATE PROGRAM

The National Institute of General Medical Sciences is seeking applications for the Pharmacology Research Associate (PRAT) Program at the National Institutes of Health (NIH). The PRAT program is a 2 year postdoctoral training program for 11 recently training, highly qualified scientists per year to spend 2 years working in one of the research laboratories of the component institutes of the NIH and the Alcohol, Drug Abuse, and Mental Health Administration. A wide variety of research opportunities are available for people trained in pharmacology who wish to expand that training at the NIH, and for people trained in related areas who wish to apply their training to problems of pharmacological interest. Research proposals are not required for application. **Deadline for receipt of applications for positions beginning in July of 1993 is March 2, 1992.** For more information and application material, please write to:

**THE JOURNAL
OF PHARMACOLOGY
AND EXPERIMENTAL THERAPEUTICS**
with Jesse Jones Binders or Files

Preserve your valuable professional journals with these handsome, durable leatherette binders or files. The binders open flat for easy reading and referencing. And the rugged box files provide for compact storage. Manufactured in red leatherette with gold leaf embossed lettering, both the binders and the files are economically priced: Binders are only \$9.95 each (3 for \$27.95, 6 for \$52.95); box files are only \$7.95 each (3 for \$21.95, 6 for \$39.95). Add \$1.00/unit for postage and handling. Outside the U.S. add \$2.50/unit. Please allow four to six weeks for delivery.

To order Jesse Jones Binders or Files, just complete and mail this coupon. Or, call toll-free -- 1-800-972-5858 -- to place a charge order (\$15 minimum).
