

Correction to “A Pharmacodynamic Analysis of Erythropoietin-Stimulated Reticulocyte Response in Phlebotomized Sheep”

In the above article [Chapel SH, Veng-Pedersen P, Schmidt RL, and Widness JA (2000) *J Pharmacol Exp Ther* **295**:346–351], the following acknowledgment was not included.

The authors thank the personnel of the Iowa City Veterans Affairs Medical Center, Pathology Laboratory Medicine Services for assistance: Dr. Robert Cook, Barbara Stewart, Beth Greif, and Lisa Alberty, for performing the flow cytometric measurements of reticulocytes. The authors apologize for any inconvenience caused by this omission.
