

The Lake Erie College of Osteopathic Medicine invites applications for a full-time, non-tenure track 12-month position in the discipline of Clinical Pharmacology at the Assistant/Associate Professor level. The successful candidate will have experience teaching general medical pharmacology and therapeutics, including expertise in the following subtopics: clinical kinetics and dynamics, neuropharmacology, local and general anesthetics and general toxicology. Academic opportunities include involvement in our Lecture/Discussion, Independent Study and Problem-Based Learning Pathways and in our Postbaccalaureate Program. The successful applicant will possess leadership qualities as well as the ability to teach using contemporary digital technologies and will contribute to the development of the college through service and research. Faculty rank and salary will be dependent on qualifications and experience; a degree at the doctoral level is required. A track record in obtaining research grants is desirable but not required. Research collaboration between investigators is encouraged. Applications will be accepted until the position is filled. Applicants should forward a current curriculum vita, a summary of career objectives, teaching interests and philosophy, current and future research plans and a list of at least three references to Dr. Walter R. Buck, Associate Dean of Preclinical Education, Lake Erie College of Osteopathic Medicine, 1858 West Grandview Boulevard, Erie, PA 16509. Telephone: 814-866-8157; E-mail: wbuck@lecom.edu

Improving research protections means improving research quality.

AAHRPP
Association for the Accreditation of
Human Research Protection Programs, Inc.®

FASEB
AAHRPP Founding Member

AAHRPP accreditation...

- improves your human research protection program
- assists your organization in achieving regulatory compliance
- helps your organization compete for sponsored research
- “raises the bar” in overall research quality
- builds and enhances public trust

Why Publish with ASPET?

Because ASPET gives you these advantages:

- ◆ **Low Page Charges** — \$35/page for ASPET members, \$70/page for nonmembers (publishing one paper can save the \$125 membership dues)
- ◆ **Low Color Fees** — \$200/color figure for ASPET members, \$400/color figure for nonmembers
- ◆ **Online Manuscript Submission** — submit your manuscript 24/7 — whenever it suits your schedule; online peer review reduces review times; track the progress of your manuscript through the review process
- ◆ **Publish Online Ahead of Print** — manuscripts are published online shortly after acceptance — at least two months prior to print publication
- ◆ **Wide Dissemination** — full-text articles are freely accessible online 12 months after publication; low-cost pay-per-view option for nonsubscribers; abstracts and tables of contents always freely accessible
