Mark your calendar!
It’s the first time since 1983 that CPT is held in North America.
Do not miss this one!

CPT2008 will bring together recognized international experts, in all areas of clinical pharmacology, clinical pharmacy, basic pharmacology, toxicology and pharmacoepidemiology to support better health outcomes and rational use of drugs.

The exciting program will appeal to attendees whose interests range from the molecular to community health. New sciences of pharmacogenomics and proteomics will be well represented. The program will allow open discussions on the advances of drug research and utilization.

The celebration of 400 years of Québec City history will provide an outstanding backdrop to sizzling science.
