Edward T. Morgan, Kim A. Neve, David R. Sibley, Mary Vore, and Jeffrey M. Witkin

ASPET EXECUTIVE OFFICER: Christine K. Carrico
Managing Editor: Jill Filler
Editorial Coordinator: Cassie Wood

Journal and ASPET office: 9650 Rockville Pike, Bethesda, MD 20814-3995; telephone: 301-634-7060; fax: 301-634-7061; email: info@aspet.org; Web site: www.aspet.org; journal web site: jpet.aspetjournals.org.

Editorial matters should be addressed to Dr. Michael F. Jarvis, Editor, The Journal of Pharmacology and Experimental Therapeutics, at the above address.

Official version: The online version of The Journal of Pharmacology and Experimental Therapeutics contains all of the information and material contained in the print version plus additional material that may include, but is not limited to, links to additional print such as videos and large data sets. The online version may be more current than the print version. Where noted, the online version has been corrected in departure from the print version. The online version of The Journal of Pharmacology and Experimental Therapeutics is copyrighted by the American Society for Pharmacology and Experimental Therapeutics. All rights reserved. Printed in the U.S.A.

Reprints in large quantities for commercial or academic use may be purchased from ASPET. For information and prices, call 301-634-7063.

Copyright information: The Journal of Pharmacology and Experimental Therapeutics is copyrighted by the American Society for Pharmacology and Experimental Therapeutics. For permission to photocopy or use material electronically from The Journal of Pharmacology and Experimental Therapeutics, see www.copyright.com or contact the Copyright Clearance Center (CCC), 222 Rosewood Dr., Danvers, MA 01923; telephone: 978-750-8400. Photocopying of articles beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law is allowed, provided that the $2.00-per-copy fee is paid through the CCC. Classroom photocopying is permitted at no fee, provided that students are not charged more than the cost of duplication. This consent does not extend to other kinds of copying. Reproduction of any portion of an article for subsequent republication requires permission of ASPET. Write to the ASPET office at the above address. Requests should include a statement of intended use as well as explicit specifications of the materials to be reproduced.

Disclaimer: The statements and opinions contained in the articles of The Journal of Pharmacology and Experimental Therapeutics are solely those of the individual authors and contributors and not of the American Society for Pharmacology and Experimental Therapeutics. The appearance of advertisements in the journal is not a warranty, endorsement, or approval of the products or their safety. The American Society for Pharmacology and Experimental Therapeutics disclaims responsibility for any injury to persons or property resulting from any ideas or products referred to in any article or advertisement.
