

Correction to: “Morphine Withdrawal Activates Hypothalamic-Pituitary Adrenal Axis and Heat Shock Protein 27 in the Left Ventricle: The Role of Extracellular Signal-Regulated Kinase”

In the above article [Martínez-Laorden E, Hurle MA, Milanés MV, Laorden ML, and Almela P (2012) *J Pharmacol Exp Ther* **342**:665–675], some of the granting details in the financial support section were omitted. The corrected statement is “This work was supported by the Ministerio de Ciencia e Innovacion [Grants SAF/FEDER 2009-07178, 2010-17907]; and Red de Trastornos Adictivos [Grant RD06/0001/1006].”

The online versions have been corrected.
