

Correction to “Mechanistic Basis of Cabotegravir–Glucuronide Disposition in Humans”

In the above article [Patel M, Eberl HC, Wolf A, Pierre E, Polli JW, and Zamek-Gliszczyński MJ (2019) *J Pharmacol Exp Ther*, **370**(2): 269-277; DOI: <https://doi.org/10.1124/jpet.119.258384>], errors in some abbreviations, terms, and their descriptions were introduced during copyediting. Changes provided by the authors were accidentally omitted by the compositor. These errors have been corrected in the PDF and HTML versions of the article.

The compositor regrets this error and any inconvenience it may have caused.
