
Notice of Concern

Notice of Concern: Kawas LH, Yamamoto BJ, Wright JW, and Harding JW (2011) Mimics of the Dimerization Domain of Hepatocyte Growth Factor Exhibit Anti-Met and Anticancer Activity, *J Pharmacol Exp Ther*, 339: 509-518; DOI: <https://doi.org/10.1124/jpet.111.185694>

The editors wish to express concern about the article by Kawas et al. of possible image manipulation after reviewing information received from several sources. They have shared these concerns with the corresponding author and their institution, Washington State University, and will await the results of an inquiry to determine appropriate next steps.
