

Correction to “Protein Kinase A–Mediated Effects of Protein Kinase C Partial Agonist 5-(Hydroxymethyl)isophthalate 1a3 in Colorectal Cancer Cells”

In the above article [Tarvainen I, Nunn RC, Tuominen RK, Jäntti MH, and Talman V (2014) *J Pharmacol Exp Ther* **380**:54–62; DOI: <https://doi.org/10.1124/jpet.121.000848>] the authors found in Fig. 2A the images from Caco2 cells were accidentally duplicated, and Colo205 images were missing. Corrected Fig. 2 is provided below.

The PDF and HTML versions of the article have been corrected.
