

## INDEX TO VOLUME XL

Abel, John J. On the unitary versus the multiple hormone theory of posterior pituitary principles.....	139
Addiction studies, The calorigenic action of morphine as revealed by.....	433
Adhesions, Trypsin preparations suitable for the prevention of.....	403
Adrenal, splenic, and ovarian extracts, The effect of, upon rat sarcoma no. 10..	97
Adsorption and narcotic action.....	275
Amide nitrogen of blood, The.....	171
Ammonia metabolism, A theory of.....	171
Amytal anesthesia in fishes.....	115
Anesthesia, Amytal, in fishes.....	115
— and its relationship to the theories of narcosis, Chloroform content in various tissues during.....	305
Anaesthetic, surgical, "Dial" as a, for neurological operations; with observations on the nature of its action.....	423
Anesthetics, local, Synergism of.....	7
Anderson, Hamilton H., Chen, Mei-Yo, and Leake, Chauncey D. The effects of barbituric acid hypnotics on basal metabolism in humans.....	215
Andrews, A. C., Hall, J. Lowe, King, H. H., and Cole, H. L. Adsorption and narcotic action.....	275
Antidiuretic action of pituitary, A practical test for the.....	129
Atropine sulphate, vagus section and pitressin, The electrocardiogram of non-anesthetized dogs as modified by the intravenous injection of.....	253
Auricle, frog's isolated, The action of drugs on the oxygen consumption of the.....	229
Barbituric acid hypnotics, The effects of, on basal metabolism in humans..	215
Barbour, H. G., Gregg, D. E., and Hunter, L. G. The calorigenic action of morphine as revealed by addiction studies.....	433
Basal metabolism, The effects of barbituric acid hypnotics on, in humans.....	215
Biological and chemical methods of ergot assay, Comparative study of the....	77
Bischoff, Fritz, and Maxwell, L. C. Studies in cancer chemotherapy. VIII. The reaction of the fluid of rat sarcoma 10.....	1
—, Maxwell, L. C., and Ottery, Ella May. Hormones in cancer. I. The effect of ovarian, splenic, and adrenal extracts upon rat sarcoma no. 10....	97
Bliss, Sidney. The amide nitrogen of blood. V. A theory of ammonia metabolism.....	171
Blood, The amide nitrogen of.....	171
Brain tissue, Further observations on the depressor substance in.....	247
Calcium gluconate and calcium lactate, peroral administration of, Urinary output of calcium in normal individuals after.....	71

- Calcium gluconate and calcium lactate, Some comparative pharmacologic effects following the intravenous injection of, in unanesthetized dogs... 65
- lactate and calcium gluconate, peroral administration of, Urinary output of calcium in normal individuals after..... 71
- lactate and calcium gluconate, Some comparative pharmacologic effects following the intravenous injection of, in unanesthetized dogs..... 65
