

INDEX

Acetyl- β -methylcholine and acetyl choline, Note on antagonism between cardiac action of, and that of quinidine	77
Acetylcholine and adrenaline, On alleged occurrence of, in cat's saliva	464
—, Central action of	446
—, choline and their analogues, Cationic exchange as means of reaction of, with cells	319
Acids, Organic	63
Adrenaline and acetylcholine, On alleged occurrence of, in cat's saliva	464
—, Choline as factor in elaboration of	473
Aird, Robert B., and Montgomery, Mary F. Studies upon site of stimulation of salivation by intraventricularly injected pilocarpine in dogs	290
Alcohol, Correlation of local irritant, anesthetic and toxic effects of three potable whiskeys with their alcoholic content	117
—, ethyl, Determination of, in body fluids	278
—, ethyl, Studies on pharmacology of	117
Alcohols, grain and synthetic ethyl, Comparative study of pharmacologic effects of	117
Alkyl polycyclicphenols	50
Alkylhydroxybenzenes, Anthelmintic studies on	50, 60, 63
Ammonium iodides, quarternary, Study of twenty-three	466
Analgesia, subjective depression, and euphoria produced by morphine, heroine, dilaudid and codeine in normal human subject	166
Anemia, cerebral, Observations on effects of dihydromorphinone-hydrochloride (dilaudid) on intact uterus of animals anesthetized by	69
Anesthesia, ether: Changes in serum potassium content during and following anesthesia	205
—, morphine-sodium amytal, and ether, Antagonism between ephedrine and procaine after cisternal injection during	307
—, Pseudohernia, a visible manifestation of local anesthetic action	238
—, Use of bulbocapnine in pre-anesthetic medication	85
Anthelmintic studies on alkylhydroxybenzenes—alkyl polycyclic phenols	50
— studies on alkylhydroxybenzenes—halogenated phenols	60
— studies on alkylhydroxybenzenes—phenolic ketones, phenolic ethers and esters, organic acids	63
Antiseptic action of certain 2-furan mercurials	265
Azo dyes, Trypanocidal action of	188
Barbiturate, sodium <i>n</i> -hexylethyl (ortal sodium) and sodium isoamyl-ethylbarbiturate (sodium amytal), Comparative study of effects of, upon excised smooth muscle	341

- Barbour, Fleming A., and Wright, Charles I. The respiratory effects of morphine, codeine and related substances. V. The effect of α , β , γ , dihydro- α -, dihydro- β - and dihydro- γ -isomorphine on the respiration of the rabbit. 39
- Barlow, O. W. Studies on pharmacology of ethyl alcohol. I. A comparative study of pharmacologic effects of grain and synthetic ethyl alcohols. II. A correlation of local irritant, anesthetic and toxic effects of three potable whiskeys with their alcoholic content. 117
- Bass, Allan D., Lamson, Paul D., and Stoughton, Roger W. Anthelmintic studies on alkylhydroxybenzenes. VI. Alkyl polycyclicphenols. 50
- , Lamson, Paul D., and Stoughton, Roger W. Anthelmintic studies on alkylhydroxybenzenes. VII. Halogenated phenols. 60
- , Lamson, Paul D., and Stoughton, Roger W. Anthelmintic studies on alkylhydroxybenzenes. VIII. Phenolic ketones; phenolic ethers and esters; organic acids. 63
- Bismuth subnitrate, Studies on pharmacology of nitrite effect of 216
- Blood supply of ear, Further observations with new method of demonstrating changes in 440
- supply of ear, Simple method of demonstrating changes in. 194
- Bulbocapnine, Use of, in pre-anesthetic medication. 85
- Cadness, B. H. E., and Simpson, S. Levy. Effect of ephedrine on erythrocytes, leucocytes and platelets in normal and splenectomized guinea pig. . 389
- Calcium salts, Toxicity and rate of disappearance of intracisternally injected, in dog. 53
- Camphor, and ether, Relation between action and concentration of, applied to heart muscle. 1
- Cardiac action of acetyl- β -methylcholine and acetyl choline and of quinidine, Note on antagonism between. 77
- output of dinitrophenol, Increased. 451
- Cat, On alleged occurrence of acetylcholine and adrenaline in saliva of. 464
- Cells, fixed tissue, Study of acquired resistance of, morphologically altered through processes of repair. 359, 373, 383
- Cerebral anemia, Observations on effects of dihydromorphinone-hydrochloride (dilaudid) on intact uterus of animals anesthetized by. 69
- Chen, K. K., Lee, Henry M., and VanArendonk, A. M. A study of twenty-three quaternary ammonium iodides. 466
- Chloroform, hepatotoxic action of, Resistance of liver epithelium altered morphologically as result of injury from uranium, followed by repair, to. . 373
- , Resistance to, of naturally acquired atypical type of liver epithelium occurring in senile animals. 383
- Choline and certain of its analogues, A comparative study of. II. Cationic exchange as a means of reaction of choline, acetylcholine and their analogues with cells. 319
- as factor in elaboration of adrenaline. 473
- Codeine, Addiction to, in monkey, compared with dilaudid, morphine and heroine. 157

- Codeine, Analgesia, subjective depression and euphoria produced by morphine, heroine, dilaudid and, in normal human subject 166
- , morphine and related substances, Respiratory effects of. 39
- , morphine and their derivatives, Studies of. 421
- Cole, Versa V., and Curtis, George M. Iodine metabolism of adult rat in relation to trauma, thyroid activity, and diet. 351
- Curtis, George M., and Cole, Versa V. Iodine metabolism of adult rat in relation to trauma, thyroid activity, and diet. 351
- De Eds, F., Hanzlik, P. J., and Terada, B. Further observations with new method of demonstrating changes in blood supply of ear. 440
- De Eds, Floyd, Hanzlik, P. J., and Terada, B. Simple method of demonstrating changes in blood supply of ear and effects of some measures. 194
- DeNote, Anthony, Gruber, Charles M., Scholten, Roger, and Wilson, John F. Comparative study of effects of sodium n-hexylethyl barbiturate (ortal sodium) and of sodium isoamylethylbarbiturate (sodium amytal) upon excised smooth muscle. 341
- Depression, Subjective, analgesia and euphoria produced by morphine, heroine, dilaudid and codeine in normal human subject. 166
- Diet, Iodine metabolism of adult rat in relation to trauma, thyroid activity, and. 351
- Dihydromorphine, Isomers of morphine and. 421
- Dihydromorphinone hydrochloride (dilaudid): Its tranquilizing potency, respiratory depressant effects and addiction liability, as tested in rat. 252
- hydrochloride (dilaudid), Observations on effects of, on intact uterus of animals anesthetized by cerebral anemia. 69
- Dilaudid, Addiction to, in monkey, compared with morphine, heroine and codeine. 157
- , Analgesia, subjective depression and euphoria produced by morphine, heroine, codeine and, in normal human subject. 166
- (dihydromorphinone-hydrochloride): Its tranquilizing potency, respiratory depressant effects and addiction liability, as tested on rat. 252
- (dihydromorphinone-hydrochloride), Observations on effects of, on intact uterus of animals anesthetized by cerebral anemia. 69
- Dinitrophenol, Increased cardiac output of. 451
- , Studies on. 223, 228
- Diphtheria intoxication, Protective measures in. 269
- toxin, Effect of, on vitamin C content of guinea pig tissues. 209
- Dog, Effect of methyl-amino methyl heptene (octin) upon intact intestine in non-anesthetized. 284
- , Toxicity and rate of disappearance of intracisternally injected calcium salts in. 53
- , unanesthetized, Comparison of effects of sodium isoamylethylbarbiturate (sodium amytal) and sodium n-hexylethyl barbiturate (ortal sodium) upon intact intestine of. 432
